

Divine Offerings

As the family of God, we are called to be stewards of God's gifts. We at St. Mary's & St. Matthew Parish Cluster are here to support one another in this most important responsibility. The partnership of home and parish is the ground for nurturing faith. It is both the quality of family life and parish involvement that provide the environment in which faith may grow and mature. As our program continues to expand and we strive to strengthen it, we are continually blessed with the generosity of many parishioners. As you read through this information, please consider how you can share your gifts as a good steward of faith formation and youth ministry in our parish. We thank you for your continued caring support and active presence in our faith community. We are blessed by the special gifts you share.

Name _____ Phone _____
